Match Play

Event Rules Sheet

- ☾ This year's individual match play will be double elimination, 8 brackets according to handicaps. This includes the Championship Flight. Bracket champions will come together for a single elimination bracket. Sept 30 will be the Match Play Finale.
- ☾ All players in each flight will tee from the same tee box, which will also be set with the brackets. After each match, Players must turn in a score card to the Pro Shop AND post match results on the tournament board in bathroom hallway.
- ☾ Matches MUST be complete by the posted dates/deadlines unless the PMGA extends a deadline due to unusual weather conditions. Please record all correspondence with your opponent when scheduling your match.
- ☾ In the event only one of the two players is having difficulties finding ample time to play by the deadline, the PMGA officers and Ptarmigan Golf Professional, may allow the most cooperative member to move on.
- ☾ There are at least two weeks between rounds (three for Team Match Play) so there is ample time to coordinate your match. Going beyond the scheduled dates negatively impacts the entire field. A coin flip will be used if you miss your deadlines.
